## TOSTADOS & CHIMIS

Our tostados & chimis are very similar. They both have refried beans, fresh shredded lettuce, sour cream, cheddar & Monterey Jack cheeses, tomatoes, black olives and your choice of beef or chicken. The difference is that our tostado is built on a flat crisp corn tortilla 8.99

Our chimi is a larger version on a flat crisp flour tortilla 10.99

Guacamole on either, add 2.00

**CHALUPA Beef or Chicken** A large crisp flour tortilla, filled with all the ingredients of our chimi except that we omit the beans and top it with guacamole. Chicken chalupa is served as a cold presentation, like a salad, while the taco style meat is heated with melted cheese. 9.99

**FRESH FISH & SHRIMP TOSTADO** Fresh cod poached in lemon butter, topped on our tostado with bay shrimp. We kept the beans off this one! Served with our special pico de gallo. 14.99

**GRINGO BACON CHEESEBURGER** Choice of chicken breast or 1/2 pound beef patty, char-broiled with bacon, melted cheese, all the trimmings and steak fries. 10.99

**FISH TACOS** Two large double-shelled soft tacos filled with deep fried cod, lettuce, tartar, tomatoes, cilantro, cheeses, pico de gallo, and lime. 13.99

**CHIPOTLE STEAK TORTAS** Sliced char broiled steak with grilled peppers & cheese. Lettuce, tomato & our lime marinated onions. Served with steak fries on Mexican baked Bollio bread. 14.99

**PULLED PORK TACOS** Slow roasted pork with sautéed fajita vegetables. Pico de Gallo & cheeses. Guacamole & Tortillas 12.99

**PRAWN TORTA** Red Hook Beer battered prawns, cheese, lettuce, tomato and red onion with our spicy ranch sauce. Served with steak fries on Mexican baked Bollio bread. 14.99

**VEGETARIANS...** there are many degrees of definition. At Santiago's we mean No meat... No chicken... No seafood. However, eggs, sour cream and cheeses are enjoyable!!! Please specify your preferences... remembering that "No cheese" does not imply No dairy products! We offer three selections... however many of our dishes can be customized to be vegetarian. Please ask your server to describe our
